## Richard Tao

### Secretary-General of JSICC

Dr. Richard Tao, a native of Wuxi, Jiangsu and a graduate from Nanjing Medical University in China, has 25 years of biomedical/biopharmaceutical research experience specialized in preclinical pharmacology for drug development, and clinical regulatory experience in both China and U.S. Richard has studied and worked in universities, biopharmaceutical companies, and CROs in Massachusetts and Maryland since 1990. At the same time, he frequently visited China and developed multiple collaborations with Chinese partners in Jiangsu area. Richard co-founded TropiSite Biomedicine in Boston in late 1990's, and was actively involved in Wuxi Association's and Jiangsu/Nanjing Association's activities in Greater Washington DC area since 2008. Richard's recent business work is focused on drug development outsourcing and regulatory service/consultation for both preclinical and clinical stages.
